Summary

Entry-level Data Science professional with hands-on experience in Python, data cleaning, visualization, and predictive modeling. Assisted in building feature pipelines and deploying ML models using scikit-learn and TensorFlow. Developed APIs for model operationalization and contributed to cross-functional team projects. Passionate about applying analytic methodologies to optimize engineering processes and drive data-driven innovation.

Education

SLIIT

Oct 2023 - Present

BSc (Hons), Information Technology, Specialized in Data Science

- GPA: 3.72

- Achievements: Dean's list for YEAR2 SEME1 -3.82 GPA

Jaffna Vembadi Girls' High School

Jan 2013 - Aug 2021

GCE Advanced Level, Biological Science (C2S)

Projects

DollarsElectro (MERN Stack Electronic Shop)

- Developed a fully functional e-commerce platform using the MERN stack- React, Tailwind CSS with Node.js/Express.js APIs and MongoDB.
- Implemented features such as user registration, product catalog, shopping cart, and checkout.

Construction Management System (SLIIT Academic Project)

- Created a management system to track construction workflows and customer data- HTML CSS and MySQL.
- Implemented CRUD operations for customer and project management.

Online Tour Guide (SLIIT Academic Project)

- Developed a web application for tourists with login, registration, and profile management.
- Built dashboards for users and admins to manage tours and bookings.
- Managed project workflows and customer data using Java and Tomcat for server deployment..

Technical Skills

- **Programming & Data Science:** Python, R, SQL, NoSQL Databases, Machine Learning, Statistics & Probability, Java, C#, AI/ML Frameworks, Model Evaluation Metrics
- **Web Development & Tools:** HTML, CSS, Tailwind CSS, Bootstrap, JavaScript, Express.js, React.js, Node.js, MongoDB, Postman, Git
- **DevOps & MLOps:** CI/CD Practices, Unit Testing, Integration Testing, Code Review, Cloud Platforms, Orchestration, Automated Monitoring, Feature Stores, Model Registries, MBSE Modeling Tools
- **Soft Skills:** Decision Making, Teamwork, Communication Skills, Time Management, Problem Solving, Critical Thinking, Leadership

Certificates

- Machine Learning Statistical Foundations Professional Certificate:LinkedIn Learning
- Anaconda Python for Data Science Professional Certificate:LinkedIn Learning
- Career Essentials in Data Analysis:LinkedIn Learning
- Diploma in Information Technology-DMI(2022-2023)
- Certificate Course in English-University Of Jaffna

Languages

- Tamil (Native)
- English (Professional Working Proficiency)
- Sinhala (Elementary)

Extracurricular Experience

MS club of SLIIT

MiniHackathon
