Summary

Entry-level Full-Stack Developer with hands-on experience building responsive, scalable web applications using React, Node.js, Express.js, and MongoDB. Skilled in developing RESTful APIs, implementing secure CRUD operations, and integrating frontend interfaces with backend services. Experienced in Git version control, deployments, and collaborating in remote or cross-functional teams. Passionate about creating efficient, user-centered applications and delivering clean, maintainable code. Eager to contribute to real-world projects while learning best practices from industry professionals.

Education

SLIIT

Oct 2023 - Present

BSc (Hons), Information Technology, Specialized in Data Science

- **GPA:** 3.72

- **Achievements:** Dean's list for YEAR2 SEME1 -3.82 GPA

Jaffna Vembadi Girls' High School

Jan 2013 - Aug 2021

GCE Advanced Level, Biological Science (C2S)
